

Radiosonde Launch May 17, 2023

Wednesday May 17, 2023 the Launch Team met at Veteran's Park in Bridgeport. Club member Dr J. Pallis of UB and Dr Q of Univ of New Haven, taught Graduate students how to launch a lighter than air balloon. Assisting were club members David KB1YYJ and Larry AB1JC. The balloon splashed down in Long Island Sound, south of New London, CT.

Filling the balloon with helium
