# Field Day and Emergency Communications

A collection of radio equipment and materials on a table, including:

- Five 200-watt transmitters labeled with frequencies: 14.1 MHz, 21 MHz, 28 MHz, 7 MHz, and 3.5 MHz.
- A BITRESEARCH power supply.
- Yellow and black cables.
- A "RADIOGRAM" form with fields for Name, Call Sign, Date, Time, and other details.
- Two copies of "QST" magazine, one featuring "2021 FIELD DAY" and another with "Go GPS with the QUICK".
