

INTRODUCTORY HAM RADIO TECHNICIAN LICENSING CLASS

The Greater Fairfield Amateur Radio Association is pleased to announce it's upcoming Technician class Amateur Radio licensing course beginning Wednesday January 23rd at 6:30 pm

LOCATION: US Coast Guard Auxiliary / 77 Building 495 Turney Road, Fairfield, CT (located on Jennings beach just past the end of the boat marina parking lot.)

The course runs thru April 3rd every Wednesday night EXCEPT the second Wednesday of each month. Adverse weather delays will be made up on the following Saturday morning or by extending to course further into April. Whichever is most convenient. A \$50 fee covers the cost of all materials as well as the FCC sanctioned license exam.

Discover the opportunities for education, camaraderie, community service and fun... for all ages!, the Hallmarks of Amateur Radio. Learn from trained, experienced & Certified Instructors. No Morse Code - Ever!

Please email Jeff Cronin, KB1LZ at FairfieldHamClass@gmail.com to reserve your place.

Last minute walk ins may be accepted dependent on class size limitations.

Hope to see you there and "ON THE AIR"

Jeffrey Cronin KB1LZ
President, Greater Fairfield Amateur
Radio Association
